2 YEAR WARRANTY ON COOKING APPLIANCES

The Company agrees to repair, or at its option replace any part of this appliance which is proved at time of delivery, or within twenty-four months to be defective through faulty materials or craftsmanship.

This warranty does not cover consequential damage or failure due to accident damage, impact, misuse or negligence. This protection is for normal household use only Australia, and shall not be extended to any loss suffered by or resulting from the non-operation of the appliance or part thereof.

Unauthorised alteration, modification or substitution of any parts of this appliance, installation or use of this appliance not in accordance with the instructions supplied herewith, will render this warranty void.

Where the appliance is installed outside the normal servicing area of the nearest service centre or authorised agent of the warrantor, the purchaser is responsible for expenses incurred in sending the appliance to and from the service centre or agents premises, or for the agents travelling costs to the place of installation.

The company is not liable for freight concerning any of its products or parts thereof, either forwarded, collected or returned following repair at any of the company's or agents workshops. This remains the responsibility of the purchaser.

The warranty does not cover product malfunction due to faulty installation or operation.
In order for the purchaser to obtain the protection of this warranty the company reserves the right to obtain or be allowed access to proof of purchase, applicable to this appliance.
